These closures are required for construction activities associated with the following DDOT project:

South Capitol Street Corridor Project - Frederick Douglass Memorial Bridge

The South Capitol Street Corridor Project calls for replacing the Frederick Douglass Memorial Bridge and transforming related sections of the urban freeway into a beautiful scenic boulevard that increases pedestrian and vehicular safety, improves multimodal transportation options, increases community accessibility, and supports economic development on both sides of the Anacostia River.

Motorists are urged to use caution as they travel in these areas, to anticipate moderate delays, and to be mindful of construction personnel.
