(Washington, DC)—The District Department of Transportation (DDOT) will temporarily close lanes, ramps and shoulders on the following roadways to perform construction activities along and near the I-295 / DC 295 corridor.

The following lane and shoulder closures will be in place daily from 9:30 a.m. to 3:30 p.m. from July 31 to August 14, 2023 weather permitting. ***On days and nights during events at Nationals Park and/or Audi Field, NO lane closures from two hours before the start of the event to two hours after the end of the event.***

- I-295 northbound single right lane may be closed between Suitland Parkway and I-695 / DC 295 / MLK Jr Ave. (Exits 5A-B-C). Closures may extend to 5.00 p.m.
- Firth Sterling Avenue SE single left or right lane northbound/southbound between South Capitol Street SE and Barry Road SE on August 05, 2023.

South Capitol Street Corridor Project - Frederick Douglass Memorial Bridge

The South Capitol Street Corridor Project calls for replacing the Frederick Douglass Memorial Bridge and transforming related sections of the urban freeway into a beautiful scenic boulevard that increases pedestrian and vehicular safety, improves multimodal transportation options, increases community accessibility, and supports economic development on both sides of the Anacostia River.

Motorists are urged to use caution as they travel in these areas, to anticipate moderate delays, and to be mindful of construction personnel.

For more information about the Frederick Douglass Memorial Bridge Project and to stay up-to-date on traffic related impacts and construction progress, please visit www.newfrederickdouglassbridge.com.

###

The mission of the District Department of Transportation (DDOT) is to enhance the quality of life for District residents and visitors by ensuring that people, goods, and information move efficiently and safely with minimal adverse impact on residents and the environment.
