**Temporary Full Closure – South Capitol Street SE/SW Northbound
May 15, 2021**

(Washington, DC) - The District Department of Transportation (DDOT) will temporarily close South Capitol Street SE/SW Northbound between Potomac Avenue SE/SW and O Street SW from 6:00 a.m. to 8:00 p.m. on Saturday, May 15, 2021.

In the event of weather or other unforeseen delays the closure will occur the following weekend. A marked detour will be in place during these closures.

Please observe the posted speed limit and proceed through the construction area with caution. Pedestrians and cyclists are advised to stay alert and follow signage when traveling through this area.

South Capitol Street SE/SW Northbound Detour

These closures are required for construction activities associated with the **South Capitol Street Corridor Project - Frederick Douglass Memorial Bridge**.

The South Capitol Street Corridor Project calls for replacing the Frederick Douglass Memorial Bridge and transforming related sections of the urban freeway into a beautiful scenic boulevard that increases pedestrian and vehicular safety, improves multimodal transportation options, increases community accessibility and supports economic development on both sides of the Anacostia River.

Traffic controls will be in place to guide all users of the roadway through the work zones safely. Motorists should expect delays due to the lane closures and are advised to stay alert and be observant of signage and road work crews while traveling in this area.

For more information about the Frederick Douglass Memorial Bridge Project and to stay up-to-date on traffic related impacts and construction progress, please visit, visit www.newfrederickdouglassbridge.com.
